

Hong Kong Green Strategy Alliance 香港綠色策略聯盟

“綠色策略，共創未來”

## Executive Committee Member

### **Mr. K.K. CHAN**

*BBA (California State University Fullerton), MBA (HKU), AICPA member*

*President, Green Business Committee, The French Chamber of Commerce & Industry in Hong Kong (Since 2012)*

*Vice Chairman, WISECITY Hong Kong Task Force, The French Chamber of Commerce & Industry in Hong Kong (2014)*

*Council Member, Hong Kong Holistic Community Association*

Mr. K. K. Chan has over 25 years of professional experience in management, construction, water, infrastructure, energy, and in particular waste management sectors. He held various senior & strategic positions in a number of multi-national corporations including Deloitte, AON, Keppel, Covanta Energy before being headhunted to join the SITA Group of companies in 2011.

In the capacity of Business Director at SITA Waste Services Limited, his responsibilities range from business development, marketing, strategic development, public communication and CSR widely in the Hong Kong, Macau, Taiwan and Greater China markets. Mr. Chan is also assigned as Regional Business Coordinator & one of the members of the Marketing Steering Committee serving SITA's mother company the SUEZ ENVIRONNEMENT Group.

He has a long-term mission to create better environment for the local community, the country, and the globe in a broad perspective, and is striving to become a leading voice in sustainability as well as to engender a new mindset in strategic thinking for policy-makers and stakeholders for Hong Kong.
