

Jointly Organized by:

## HYDROGEN ECONOMY CONFERENCE (HEC) 2020

### 2020 年氫能經濟會議

23<sup>rd</sup> November 2020 (Monday) / 2:00pm ~ 5:30pm (Online via Microsoft Teams®)

**Free of Charge 費用全免**

*(Language of the Forum will be in English. No simultaneous translation provided)*

#### Synopsis

**Hydrogen (H<sub>2</sub>)** energy is one of most discussed forms of energy for the future. Its role in enhancing a sustainable living environment and circular economy is promising. The Co-Organizers are organizing this unique half-day online forum, bringing experts on international levels and presenting cutting-edge technological innovations (storage and transportation) and policy directions.

The Conference rundown is as follows:

- i.) CPD certificates, upon request at initial registration, will be distributed electronically within four (4) weeks after the event via electronic means to the participant's provided email address at the time of registration. Further, the name shown on the CPD certificate will be identical to that entered during registration.
- ii.) Presentation materials and video recordings may, upon approval of respective speakers after the event, be available. If so, separate announcement will be made after the event. It is therefore important that you enter a proper email address during initial registration so you can receive our updates.
- iii.) This event is a concurrent event with the **"HKTDC Autumn Sourcing Week | ONLINE"** organized by the Hong Kong Trade Development Council (HKTDC). The participants acknowledge, and were provided with ample opportunity and choice to opt-out during initial registration, that HKTDC may use participants' information on voluntary basis for the purpose of trade development and business matching activities. The organizers of this event accept no liability whatsoever, direct or consequential, as a result of the participant's enrolment in HKTDC activities.
