BOCHK Corporate Low-Carbon Environmental Leadership Awards

Introduction and Objectives

The **BOCHK Corporate Low-Carbon Environmental Leadership Awards** ("Environmental Leadership Awards"), which have been organised by **Federation of Hong Kong Industries** ("FHKI") and sponsored by **Bank of China (Hong Kong)** ("BOCHK") since 2015, aims to promote active participation in environmentally conscious practices among the manufacturing, services and property management enterprises in Hong Kong and the Pan-Pearl River Delta ("Pan-PRD") region to further reduce environmental footprints in these communities.

FHKI has been actively involved in encouraging the manufacturing sectors in Hong Kong and the Pan-PRD region to step up efforts in undertaking corporate social responsibility and reducing their environmental impact since the launch of the **One Factory - One Year - One Environmental Project Programme** ("1-1-1 Programme") in 2005. As a leading listed commercial banking group in Hong Kong, BOCHK has also been dedicated to supporting green campaigns and reducing carbon emission. With a shared pursuit of environmental protection, the two prestigious institutions join hands in a concerted effort to work towards a low-carbon and sustainable future. Later in 2015, the 1-1-1 Programme had been upgraded to **One Enterprise - One Year - One Environmental Project Programme**, in an effort to further cultivate green awareness and reach out to a wider range of businesses. In 2022, the name of the Awards has been upgraded to "BOCHK Corporate Low-Carbon Environmental Leadership Awards" to support the national and HKSAR Government in achieving carbon neutrality. The **Low-Carbon Commitment Logo** was also introduced to promote low-carbon transformation.

To engage more small and medium enterprises ("SMEs") in the pursuit of environmental protection and recognising their efforts and achievements in undertaking green initiatives, the **Gold, Silver and Bronze Awards** for SMEs have been established. Besides, in order to embrace the new developments in the national Belt and Road Initiative and the Guangdong-Hong Kong-Macao Greater Bay Area ("GBA"), the **Belt and Road Environmental Leadership Recognition Award** and the **Guangdong-Hong Kong-Macao Greater Bay Area Environmental Leadership Recognition Award** seek to honour enterprises with outstanding performance and contributions in making positive environmental impacts in countries and regions along the Belt and Road or cities in the GBA. The **Outstanding Sustainability Corporate Award 10+** was added to the Awards to recognise their consecutive efforts in advocacy and promotion of green initiatives.

中銀香港企業低碳環保領先大獎

簡介及目的

「中銀香港企業低碳環保領先大獎」（「環保領先大獎」）自 2015 年起由**香港工業總會**（「工總」）主辦、**中國銀行（香港）**（「中銀香港」）贊助，旨在鼓勵香港及泛珠三角地區從事製造業、服務業及物業管理業的企業推行環保措施，致力減少有關地區的環境污染。

工總於 2005 年首度推出**「一廠一年一環保項目」計劃**（「『壹 - 壹 - 壹』計劃」），積極鼓勵香港及泛珠三角地區的製造業同業肩負起企業社會責任，以減輕營運對環境的影響。中銀香港作為香港領先的上市商業銀行集團，素來致力支持及推動環保減碳工作；這理念正好與「壹 - 壹 - 壹」計劃的宗旨互相配合，共同為建構低碳綠色未來而努力。為鼓勵更多企業積極提升其環保表現，「壹 - 壹 - 壹」計劃由 2015 年起升級為**「一企一年一環保項目」計劃**；而為支持國家及特區政府實現碳中和，大獎於 2022 年再度升級為「中銀香港企業低碳環保領先大獎」，並增設**「低碳承諾標誌」**以推動企業低碳轉型。

One Enterprise
One Year
One Environmental Project
[One-One-One] Programme

為鼓勵更多中小企業加入環保行列，大會特別設立**中小企業金、銀、銅獎**，嘉許具卓越環保表現和貢獻的中小企業。與此同時，配合國家推進「一帶一路」及粵港澳大灣區的發展策略，大會另設**「一帶一路環保領先嘉許獎」**和**「粵港澳大灣區環保領先嘉許獎」**，以表揚在「一帶一路」沿線國家及地區或粵港澳大灣區城市群積極提倡和推動當地環保發展的企業。而**「優秀企業可持續發展大獎 10⁺」**則重點表揚連續參與本計劃及積極推廣可持續發展達十年的企業。
