Ir Dr The Hon LO Wai Kwok  
Chairman  
Hong Kong Green Strategy Alliance

Dear Ir Dr The Hon LO,

**Professional Green Building Council International Conference 2025**  
**Letter of Gratitude**

On behalf of the Professional Green Building Council (PGBC), we wish to extend our heartfelt gratitude to your great support as the **Supporting Organisations** at the Professional Green Building Council International Conference 2025, held on 15 January 2025.

With over 1,300 participants joined physically and virtually, the Conference served as an effective platform for exchanging ideas and insights. We believe that through these discussions, we can foster an environmentally friendly future of Hong Kong by promoting the adoption of beyond zero carbon design.

We are deeply grateful for your support for the Professional Green Building Council International Conference 2025. Your contribution immensely significant to us, and we eagerly look forward to future opportunities to reconnect.
