

Hong Kong Green Strategy Alliance 香港綠色策略聯盟

“綠色策略，共創未來”

## Honorary Treasurer

### **Ir Prof Steve S F WONG**

*RPE, MHKIE, QSP, REW (CO H0)  
Registered Energy Assessor  
Visiting Professor (OUHK)*

With more than thirty-two years' electrical and mechanical consultancy experience, Ir Steve Wong is a professional Energy and Environment Consultant with core specialization in Energy Model Planning, Energy Efficiency Improvement, Carbon, IAQ & Waste Management for the Building and Manufacturing Industries. With his contribution in the building and manufacturing industries, Ir Wong has helped many organisations and manufacturers in successfully reducing energy consumption and improving competitiveness in their region.

Ir Wong's recent endeavour is to pursue the “Waste to Energy” and Landfilled Mining Projects including Municipal Solid Waste, Medical Waste, Chemical Waste, Food Waste, Incineration Bottom Ash, and etc. for the regions including Hong Kong, China, Macau and other Asian Countries.
